

1845 the cost of transportat
(of troops and supplies) was
In 1850-'51 it amounted to -
In the former the cost of for
was - - - - -
In the latter it was - - - -

The great increase in this is
only from the causes just me
from the great increase of an
termaster's department, which,
ed only to 847, and in 1850-'
8,000; and also to the act t
force has been greatly increas

From statements carefully
different bureaus of the Depart
that the increased expenditure
sulting from our newly acqui
cluding Texas) amounted to \$
The expenditures for the app
of the army for the fiscal ye
ending 30th June last, were
The estimates for the next ye
